Mumtaz
CONSULTING

About Us

Starting from anxiety and concern that many entrepreneurs, especially SMEs and Startups, lack understanding of accounting and taxation issues, which caused them to be subject to tax fines that were quite burdensome to the company.

Mumtaz Consulting is here to provide tax and accounting solutions, especially for SMEs and startups to optimize company performance and improve efficiency so that it can prevent costs that should not occur.

Our Mission

Educate our clients to increase understanding of tax and accounting field

Improve tax compliance to avoid any tax penalties

Reduce the burden of tax administration and accounting field so that company more focus to developing the business

Our Team

Mumtaz Consulting was founded by two persons who have long been in accounting and taxation field as professional and consultant. They agreed to create a legal entity that provides assistance to people who need of assistance and consulting services in the field of their expertise.

Formed in 2016, Mumtaz Consulting is still regarded as a new consulting firm. However, the people in team has long been in consulting and taxation field as credible practitioners and consultants.

The motors are:

. Ardial Al bar Tanjung, MBA., BKP., CPMA., ACPA.
